Directions

Mitt: Using DPN set 2.5 mm [US1.5] and color olive, cast on 64 sts = 16 sts per needle and join into round. Continue working from **Right Chart**. Work until Round 46 has been completed. Work thumb increases as shown in chart, then transfer the 20 thumb stitches (red line) to a piece of waste yarn and cast on 2 new sts to bridge the held thumb sts = 66 sts. In Rounds 75 and 76, decrease 1 st each from the 2 increased sts = 64 sts. After Round 93, bind off, either the regular way or, if you want, using the

I-cord bind-off method: (*k2, k2tog, then slip these 3 sts back to the left needle again* – repeat from* until all sts have been bound off. Pull the yarn tail through the remaining 3 sts, secure and weave in ends).

Thumb: take up the formerly held 20 thumb sts again, cast on 4 new sts over the thumb opening = 24 sts. Follow **Chart Right Thumb** for Rounds 73 through 79, then bind off the regular way or, if you want, again using the **I-cord bind-off** method.

Work the second fingerless mitt following **Left Chart** and **Chart Left Thumb**.

Carefully hide all ends.
