Instructions

Mitt: Using DPN set 2.5 mm [US1.5] and colors blue and natural, cast on Continental method 70 sts = 17 sts per needle and join into round. **Rows 1 and 2 (Latvian braid):** Bring both yarns to front as if to purl. Purl into MC with MC and purl into CC with CC. When purling, bring the working yarn either over (behind), or under (in front of) the other yarn, according to either the letter o or u on that stitch in the chart. The yarns will twist around each other, but will untwist again by the time the braid is done. Move both yarns to back as if to knit. Link for the process: https://www.youtube.com/watch?v=y7_Ef1EWBGY

Work the Body of the second mitt the same way, but shift thumb placement as per second **red line** marking.
